Instructions to Ecclesiastical Leader

The Church's institutions of higher education are founded on the gospel of Jesus Christ and exist to provide an environment of faith in which young people can, through serious study, pursue both spiritual and academic preparation. The Church Educational System would like to accommodate all who desire to attend. However, each institution has a limited enrollment. A student who is admitted without being fully worthy is not prepared spiritually and displaces another student who is qualified to attend.

To help ensure that those who attend Church institutions of higher education are living by Church standards and will continue to do so, prospective and continuing students must receive endorsements. (Handbook 1, Section 11.4.1)

Individuals who are less active, unworthy, or under Church discipline should not be endorsed for admission until these issues have been completely resolved and the requisite standards of worthiness are met. (Handbook 1, Section 11.4.4)

You may only endorse individuals who are in your unit or individuals who are not members of the Church.

Before making your endorsement decision, please review the CES Honor Code below and visit **endorse.byu.edu** to review school-specific Honor Code clarifications and the appropriate Dress and Grooming Standards.
